

AllegraMask[®]

Your Personal & Medical Protective Mask.

Safe & Clean,
wear *AllegraMask*[®],
and be seen!

Be safe, be bright

AllegraMask[®] is your ideal companion whether shopping, at work, at home, or just on the go. Discover and experience wearing a new way of mouth and nose guard with *AllegraMask*[®].

AllegraMask[®] combines comfort, practicality and efficiency thanks to its cutting-edge design. It's a design-registered and patent pending world innovation capable of protecting nose and mouth, there reducing and mitigating pathogens in third parties that are transmitted by droplet infections.

AllegraMask[®] can also reduce and alleviate the disease transmission and symptoms caused by touching the nose and mouth, for example by protecting the transmission of fungus.

+++ **safe** to use , **safe** in its function +++
